President's message,
Wally, KK6CPN

From the desk of *The Readout* editor John Otte, K6JRO

Welcome to another edition of *The Readout*!

In my editorial last month, I encouraged you to explore some of the fascinating activities ham radio has to offer. Last month, I, along with Bill, AE6J and Brendon, NK6M took myself up on that call with Parks on the Air. We had an amazing time and I hope you enjoy the featured article this month discussing our activation.

Also, Stanislaus County has moved into the Red Tier of the COVID system which suggests that certain restrictions are starting to relax. For example, restaurants are starting to allow indoor dining up to 25% of capacity. As a result, this affects our future events. Please see the updated Community Events Schedule for changes.

If you have any suggestions for articles or if you would like to publish an article, please reach out to me at k6jro@arrl.net. Stay safe! Stay healthy!

73 de John, K6JRO

A Message from the Club President Wally, KK6CPN

Well, we survived another month of stay in shelter and it looks like we are on an uphill recovery. At this time, we still do not have permission to have face to face meetings and as soon as we here from OES I'll let everyone know.

PayPal is fully functional now so you can go to the SARA website to pay your dues and even donate money to the club.

Just a reminder Lucian will be updating our membership list and all paid members will be listed on the website. Lucian will also be updating the Tuesday night Net Roster so if you do not hear your call sign called it's probably due to you not being a paid member or you have not been on the net for a month. If this happens when late or missing members are called just answer up.

I would again like to thank Mark N6ARP, Patrick KG6AZZ and Vicki KJ6RCV for all their work on getting PayPal up and running.

**Minutes: MAR
Zoom meeting**

**Next General
Meeting:
Zoom Tuesday,
APR 20th**

Joining SARA:

*We are currently
taking membership
applications for
2021.*

*One-year dues are
\$30.00 for
individuals, or
\$45.00 for a family.
To join, fill out the
registration form in
this newsletter and
bring it to any SARA
meeting.*

73 to all.
Wally, KK6CPN

Attendance (President did not do a roll call)

| | | |
|----------------|----------------|-----------------|
| Lucian, KF6NPG | Davona, KF6TSY | |
| Richard, W6DU | John, N6JCS | Wally, KK6CPN |
| Scott, N6CIC | Paul, W6UHF | Linda, W6MUT |
| Robert, KD6BNY | Eva, KM6BIP | Patrick, KG6AZZ |
| Simon, KF6FBA | Derrill, W7LTM | Roy, KK6OQP |
| Mark, N6ARP | Vicki, KF6RCV | Robin, KG6ZYQ |
| Jason, KA6TIO | Randy, KF6RJS | Rick, KF6TEZ |
| Cheryl, KK6GJM | James, KK6ILV | Bob, WA6ZLO |
| Tom, K6KQR | Danny, W6DMC | Jerald, KJ6CHN |
| Fred, K6FVC | Zack, KI6KQO | Dan, WL7COO |

President Wally, KK6CPN called the meeting to order at 7:04 p.m.

February minutes were sent out to the membership prior to the meeting via e mail with the meeting Zoom link. Motion to approve by Scott, N6CIC and second by Robin, KG6ZYQ. Motion was approved.

President: Wally, KK6CPN

Wally reported that he has been very busy and will be out of town until March 30, 2021. He wanted to remind everyone that their dues must be paid 28 days in advance of voting on club business. Stanislaus County may go into red zone for COVID soon. This will be a good as more things can open up. He said that a list of paid members will be listed on the club web site beginning in April.

Vice President: Mark, WB6BJN

Mark was not present.

Treasurer: Vicki, KJ6RCV

She gave a treasurer's report and a copy will be attached to these minutes and will be included in the READOUT. We have 61 paid members to date. Motion to approve by Tom, K6KQR and second by Randy, KF6RJS. Motion was approved.

Sergeant at Arms: Mark, N6ARP: Mark reported that there were 8 people signed up for the April 17, 2021 ham cram.

Board Members: Paul, W6UHF and Scott, N6CIC. Brendon, NK6M and Bill, AE6J were not present.

Paul congratulated Fred, K6FVC on his appointment as the new San Joaquin County ARES Emergency Coordinator. Scott reported there were 24 sunspots, and this is encouraging for sunspot cycle 25. HF could be a little better.

Write for *The Readout*.

If anyone has information that they want included in *The Readout* please submit to the editor
k6jro@arrl.net.

Please try and have the information or articles to the editor by the 30th of each month.

Equipment/Mt Oso: Patrick, KG6AZZ and Paul, W6UHF

Patrick said so far so good.

ARES: Lucian, KF6NPG

The March ARES meeting was meeting was Saturday March 6, 2021 (10:00am to Noon). The meeting was held over ZOOM. Richard, W6ABJ (Merced ARES EC) did a presentation on the ARDEN mesh network. The next meeting is Saturday April 3, 2021 and the ZOOM link will be sent out a couple of days before the meeting. There will be officer's reports and general discussion. The training topic is still TBD.

Community Events: Lucian, KF6NPG

The Turlock Lake Road Race may happen on Saturday April 17, 2021. Details are being worked out. We will continue to monitor with the event coordinators and let everyone know of any updates. The next SARA Club meeting is Tuesday April 20, 2021 (7:00pm to 8:00pm) and will be conducted over ZOOM. A link will be sent out before the meeting.

Ham Cram: John, K6JRO

John was not present for a report.

Dan, WI7COO San Joaquin Valley SEC:

Wanted to remind everyone that the RATPAC presentations are very good. If you are interested in attending these ZOOM presentations let him or Lucian, KF6NPG know and they can provide you the zoom link.

Un-Finished Business:

Patrick, KG6AZZ was waiting on a confirmation on the e mail address to use in PayPal. It was decided that the SARA Club e mail address would be used. PayPal should be up and running by Saturday.

New Business:

This is a confirmation on SARA Club membership. A club membership (single or family) runs from January to December. There is a grace period that allows members to pay their dues by the end of March. If dues are not paid by that time the member is considered delinquent and will be dropped from the membership roll, club e-mail list and the weekly net roster.

If a new member joins in January through September, they are considered members for the current year and their membership would end in December. They would have until March to pay their dues to remain a current member.

If a new member joins in October, November, or December they are members for the current plus the following year, ending in December. They would have until March to pay their dues before becoming delinquent.

Presentation: There was no presentation.

Meeting Adjourned: Motion to adjourn by Scott, N6CIC and second by Randy, KF6RJS. Adjourned at 7:35 P.M.

Minutes by Lucian, KF6NPG; Club Secretary

ARES

Pat, KG6JXZ
Stanislaus County
Emergency
Coordinator

Stanislaus County ARES Report

We continue to deal with the challenges of the COVID 19 health issues. Stanislaus County has recently moved into the red tier and things are starting to open in moderation. We will continue to have our ARES meetings over the air or via ZOOM. This will probably be going on through the spring and into early summer. We are working on a plan to have face to face meetings soon.

The Turlock Lake Road Race had to cancel as the county would not issue a permit for the event. They may reschedule the event in June. The Regalado Road Race has a tentative date of Sunday May 30, 2021 and the Copperopolis Road Race has a tentative date of Saturday June 5, 2021. The event coordinator is waiting for the county to approve his permits. As soon as we hear if the events are approved, we will let you know and ask for volunteers. Keep these dates penciled in your calendar. The Ride for Mom has been cancelled for this year.

We had a very informative April meeting. There was a presentation on working community events and the equipment that you would need. Patrick, KG6AZZ led a discussion on software defined radios.

Pat, KG6JXZ continues to work on this year's training activities. If you have any training ideas or activities that the group can participate in, please let Pat, know.

The next ARES meeting will be May 1, 2021 and the training topic is to be determined.

Please keep yourselves and your families safe.

Lucian Thomas, KF6NPG Assistant Emergency Coordinator, Stanislaus Co.
KF6NPG@aol.com

ARES® operates under the authority of the Stanislaus County Office of Emergency Services (OES), and the Stanislaus County Assistant Director for OES. ARES® is organized under the auspices of the American Radio Relay League, the San Joaquin Valley Section Manager, and the San Joaquin Valley Section District Emergency Coordinator. Operational control is under the Stanislaus county OES.

If you are interested in joining Stanislaus ARES go to the Stanislaus ARES website (www.stanares.org) and click on the Join ARES tab. There is information on how to join and the membership forms to complete are available there. Please check in on the ARES voice radio net very Wednesday at 7:30 pm on the 145.390 – pl. 136.5 S.A.R.A. repeater. There is also an unproto Packet radio net during the voice net on 144.910 via the SARA node. The monthly training meeting is at 10:00am on the first Saturday of the month at 3705 Oakdale Road Modesto, CA. Meeting dates and times can change due to operational needs. Please check the web site for updates.

Ham Cram

John, K6JRO Ham
Cram coordinator

ARRL EC-001
course

Due to the State-wide Stay in Place Order, ARES meetings will be conducted via Zoom. Access will be emailed a few days prior to the Saturday meeting. Please make sure Lucian, KF6NPG has your email address on file. The next Zoom meeting will be 10am on Saturday, APR 3rd.

Ham Cram Information

Study for your amateur radio license or upgrade your current license. Sponsored by the SARA and Stanislaus county ARES.

When and Where?

April 17, 2021

Office of Emergency Services
3705 Oakdale Road, Modesto, CA

COVID-19 Restrictions

Due to COVID-19 the all-day cram will be limited to 15 people. All individuals in the building will have to wear a mask. All registered individuals will need to bring the following:

- A valid identification, preferably CDL (California Driver's License)
- Cash or check for \$15 for the testing session, check preferred and payable to the American Radio Relay League (ARRL).
- If you are upgrading your license, please bring a copy of your current license as well as the ORIGINAL.

Sign Up

Please send the following information to hamcram@stanares.org

Full name, Address, Phone, and Call Sign if you have one.

If you have any questions please email John Otte, K6JRO at k6jro@arrl.net.

ARRL EC-001 Emergency Communications Course

If you need to take the ARRL Emergency Communications Course (EC-001) Stanislaus ARES can help. The EC-001 workbook is out of print, however The Indian River County ARES has all of the study information (including test and answers) posted on their web site. Recent amateurs who have taken the test have printed out the test questions and answers and have studied like they would for a ham cram. Pass rate has been about 100 percent.

The ARRL has updated this course. There are some content differences, however members who have used this to prepare for the challenge exam have been successful.

Here is the web site to study for the ARRL Introduction to Emergency Communications Course challenge examination (EC-001):

Go to www.ircares.org This is the web site for the Indian River County ARES. Once you are on the web site click on the training and reference tab. Then click on the ARRL Introduction to Emergency Communications (EC-001) tab. That will take you to the course information.

Once you complete this on-line study you can arrange with Stanislaus ARES to take the ARRL test. We generally give the test at a ham cram session or before or after the monthly ARES meeting. Please e-mail Pat KG6JXZ at kg6jxz@charter.net, or Lucian KF6NPG at kf6npg@aol.com or John K6JRO at k6jro@arrl.net to arrange to take the test. **There is a \$15.00 test administration fee payable to ARRL.**

You can also access the updated ARRL EC-001 course at the ARRL website. Go to www.arrl.org. Once there click on the licensing, education and training tab. Then click on the online course catalog tab and look for the EC-001 course. It states that it takes about 45 hours to complete the course over 9 weeks. Once you complete the ARRL course you can take the exam online. From what I can see there is no charge to take the course or exam. You have to take the course before you can take the exam.

You cannot take the challenge exam online.

Parks on the Air (POTA) Activation of K-0210

By John Otte, K6JRO

Brief History

In 2016, the American Radio Relay League (ARRL) in collaboration with the National Park Service (NPS) launched a year-long promotion called National Parks on the Air (NPOTA) to celebrate the 100th anniversary of the founding of the National Park Service by President Theodore Roosevelt. The objective was to promote the NPS and showcase Amateur Radio to the public. In January 2016 members of the Stanislaus Amateur Radio Association (SARA) participated in this centennial event with the activation of the Rosie the Riveter National Historical Park museum in Richmond, CA.

The attention and success (not to mention the fun) generated by NPOTA prompted a group of hams led by Jason Johnston, W3AAX to continue the event indefinitely as Parks on the Air (POTA). The objective of POTA is to encourage licensed amateur radio operators to operate temporarily from, and bring more visibility, awareness, and appreciation to national and state/province level parks. This also includes national monuments, national preserves, wildlife refuges, wetland management districts, national wild and scenic rivers systems, wildlife management areas, antarctic stations, national military parks, and historical trails. Hams, known as activators, set up at

parks and make contacts (work) with amateurs know as hunters. Points are awarded to the activator for operating from a park, and to each of the hunters contacting or working, the activator. Additional information, including official rules, can be found at www.parksontheair.com.

Prompted by our passion for contesting and radio sport, Bill Danforth, AE6J, Brendon Church, NK6M and John Otte, K6JRO founded Central Valley Amateur Radio Euthenists, N6OOA. On March 14th we activated the San

Joaquin River National Wildlife Refuge (K-0210) in Vernalis for POTA. The Refuge is situated at the confluence of three major rivers—the Tuolumne, Stanislaus, and San Joaquin— in the San Joaquin Valley, creating a mosaic of habitats which provide ideal conditions for wildlife and plant diversity. The park had been activated twice in the past four months resulting in 202 contacts. Bill, AE6J was determined to surpass this—and we did!

(photography by Manuela Danforth)

We arrived at 10am and began to set up our station. We were fortunate to find shaded picnic tables among the brush. Our station consisted of an ICOM 7300 and a Gap mono-ban vertical 20m antenna. Power was supplied by a Bioenno 12v 60Ah battery. We used N3FJP logging software with dual monitors. This allowed both the operator and scribe to see logging simultaneously. By 11am we had settled in and were ready to go.

While we started out slow, within an hour we were managing pileups! We stayed in the General portion of 20m concentrating most efforts around 14.325 Mhz. We all took turns operating the radio, scribing, and managing. A special thanks to Gary, WA6UXA who provided us with our only Stanislaus County contact.

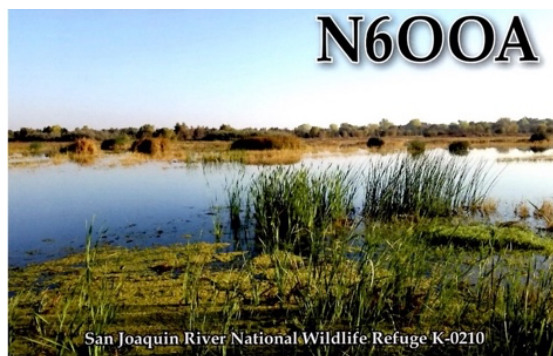

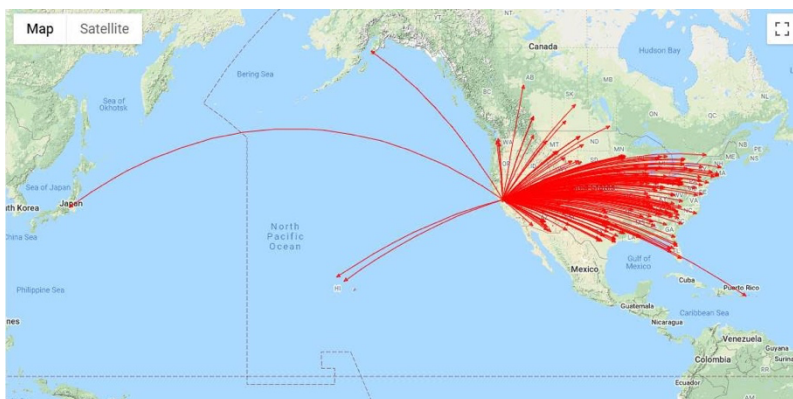

The park had a steady flow of visitors (including Jason, KA6TIO) with several inquiries about our operation. Bill, AE6J graciously put on his PIO hat and introduced curious onlookers to our operation.

In the end, we surpassed our wildest expectations. Within five hours, we made 222 contacts (phone) including four countries and worked 49 states and Canadian Provinces. Special QSL card were printed for this activation. Final stats are below:

Established in 1987, the San Joaquin River National Wildlife Refuge is 7,000 acres in size and located in California's Stanislaus County. The Refuge is situated where three major rivers (Tuolumne, Stanislaus and San Joaquin) join in the San Joaquin Valley, creating a mix of habitats that provide ideal conditions for high wildlife and plant diversity. The Refuge was initially established primarily to protect and manage habitat for the Aleutian cackling goose – a federally listed endangered species at that time. Today, the Refuge is managed with a focus on migratory birds and endangered species.
